A message from our Executive Director

We are proud of our achievements in serving over 4400 Georgetown County children since 2007. In 2023 the demand for program services will continue to increase and we are grateful for your support to help the children.

A year with unique challenges

It was another challenging year with rising inflation peaking at 9.1 percent in June and ending 2022 at 6.5 percent. Parents were forced to make hard decisions regarding how to feed and clothe their children.
