Your generosity has provided clothing to 88 children and orthodontic care to 12 children through June 2022.

Palmetto Giving Day in May raised $33,252 to help the children in Georgetown County. We are grateful to all who donated and continue to donate to help the disadvantaged children.

200 Summer Dresses were provided to children in Georgetown and Williamsburg Counties thanks to our continued collaboration with the Pawley Island Mission Sewing Ladies. Eleven elementary schools participated in this annual event. All the girls were so happy!
Back to School Project

We are asking for your help today as we know the need for our services will be greater this fall due to rising inflation in gas and food prices. Our goal is to raise $5000 by August 1st to supply the twenty nurse clinics with extra clothing for the children, so they can stay in school when clothing accidents happen.

THANK YOU in ADVANCE!!

Orthodontic Campaign generates $35,000

100% of the money raised for this campaign go directly to help the children with critical orthodontic needs. With your continued donations we hope to send an additional twelve children for braces to help improve their smiles.

Resale Store

- Join us in welcoming our new Resale Store Manager, Diane Johnson. Stop by and say hi
- You have probably seen our new billboards, these have been helpful in acquiring new customers to our store and building a bigger awareness to our mission.
- We appreciate your donations, we NOW have a recycling program and continue to support Hopewell Mission of Williamsburg County by donating items not sold in the store.

A Message from the Executive Director

Thank you for your continued patronage at our Resale Store and supporting our clothing and orthodontic programs. Your donations continue to bless the children of Georgetown County and we are grateful to all our donors, supporters, volunteers and Board of Directors.....Kathy Binney E.D.
